

North Gwinnett Middle Intramural Program

Dear Parents,

We would like to welcome everyone to North Gwinnett Middle School and invite you to sign your children up for the extra-curricular activities offered in our Intramural Program. The intramural program will include 18 to 20 weeks of activity. Phase I (Fall program) will begin Monday, Aug. 22. Phase I will stop during the 8th grade basketball season. Phase II (Spring) will start back after the basketball program has completed all tournament games.

The Intramural Program is intended to serve the entire North Gwinnett student body. There is no charge for this before-school program. Intramurals will begin at approximately 7:30 a.m. and end promptly at 8:45 a.m. Students should bring a change of clothes because they will work up a good sweat! Students will report to their homeroom class immediately following Intramurals.

The Intramural program is intended to provide fun, interactive activities for the students. Full participation is required. If any problems with behavior or lack of participation occur, students will be verbally warned and if problems continue, the student will be excused from the Intramural program.

Here at North Gwinnett Middle school we believe in giving back to the community. The intramural program is going to participate in a service project by collecting snack foods for an Atlanta based Shelter for women and their children. We ask that you please bring in one of the following items: juice boxes, individually packed cookies, Little Debbie snack cakes, Rice Krispie Treats, individually packed chips, fruit cups or applesauce (all need to be single serving sizes). I've worked with many of these kids through a summer camp. They are wonderful kids. I feel this is a great cause and a great learning experience for our students.

Sincerely,
Todd Posey & Lance McGinnis
